

## **Victorian Schools Putting Our Children at Risk**

### **Exposing the Safe Schools & Respectful Relationships Programs**

#### **ATTENTION PARENTS AND GRANDPARENTS:**

***You are invited to a seminar to learn about the Safe Schools Program and the new Respectful Relationships Program. These programs encourage our young people to experiment with sexuality. Sexuality, they say, should be 'dynamic and fluid'.***

***The Andrew's government has made these programs compulsory for all Victorian primary and high schools.***

#### **The Seminar will focus on:**

- Presenting examples of the hypersexualised teaching materials given to students
- Explaining the gender theory that underpins these programs
- Demonstrating how these programs are indoctrinating not "anti-bullying"
- Empowering parents to speak up and speak out

**Location:** Theofania Greek Orthodox Church Frankston 2 Petrie Street, Frankston, VIC

**Date:** 6th March 2017

**Time:** 7.30 pm

*Cella White mother of four to speak about her ordeal with the Safe Schools program at her children's school.*

**Guest Speaker:** Terri M. Kelleher (Bachelor of Jurisprudence/Bachelor of Law, Monash University), Victorian President, Australian Family Association
